

Dear Students and Families,

Welcome to second grade! We are going to have a great and busy year. Second grade is always an exciting and challenging year for students. We will be focusing on our reading, writing, math and social studies skills. We will be working on science in the classroom and in the science lab.

There are some important things to remember. Please make sure that you get to school on time! School begins at 8:35 am. We will be getting right to work, so don't be late. It is also important that you know how you are supposed to go home. Parents, if plans change, please make sure that you send me a note, or call the school before 2:00. Dismissal for students being picked up will be in the front loop, by the main office. You will need to bring a snack to school every day. Your food choices should be healthy ones! Some great ideas are yogurt, fruit, cut vegetables and dip, cheese and crackers, and popcorn. You should also bring a drink of water, milk or juice. You will need to save any sugary or chocolate treats for dessert after lunch. You will need to wear your sneakers for gym and recess every day.

Recess will be outside whenever possible. Please make sure that you are dressed for the weather. If you are going to buy lunch, you can purchase a card from the cafeteria. Lunch is \$2.50, and milk is 50¢. If you are bringing cash, please put it in a bag or envelope labeled with your name.

Please see the supply list on the school's website for things you will need to bring to school. The supplies you will need to have at home are: lined paper, pencils, erasers, crayons and a ruler.

During the school year, if you have any questions or concerns, please do not hesitate to call us at school (329-4156). You can email us at

Catherine.Dean@EHUFSD.org

Deborah.Boland@EHUFSD.org

Marcela.Cardona@EHUFSD.org

Kristine.Eberhart@EHUFSD.org

Taryn.Brennan@EHUFSD.org and Courtney.Christman@EHUFSD.org.

You can also send in a note or leave a message in the office. We will get back to you as soon as possible. We are looking forward to working with our students and their families this year!

Sincerely yours,
2nd Grade Teachers
