

July 2017

Dear Fourth Graders and Families,

Welcome to Fourth Grade! We are looking forward to meeting you. Fourth Grade is an exciting year where you will learn about many new, challenging and interesting topics in all subject areas.

In preparation for a successful year, we ask that you purchase the attached list of supplies for school. Please remember to bring all of your supplies on the first day of school, Wednesday, September 6th. This helps us get organized so we can dive right into learning. We strongly recommend that over the summer you continue to read daily and practice your multiplication facts up to twelve.

On the first day of school, we would like you to bring in a poster with ten interesting facts about yourself. You can decorate the poster with pictures, drawings, glitter, etc. This project provides us with the opportunity to get acquainted with new friends and reacquainted with old friends. Most importantly, please remember to bring your enthusiasm for learning, a positive attitude, sense of humor, caring heart and willingness to work hard. With these qualities in place, we can accomplish fantastic feats in Fourth Grade! We can't wait to get started!

Enjoy the rest of your summer and see you in September!

Sincerely,

Your Fourth Grade Teachers
