Dear Parents/Guardians,

New York State Education Law requires that every child attending school have a physical examination in Kindergarten, Second, Fourth, Seventh and Tenth grades, as well as all new entrants. Ideally, all health examinations should be performed by the child's family physician within 12 months from the start of school.

It is the parent/guardian responsibility to provide us with a copy of the physical examination given by your healthcare provider. Physicals done between 9/7/16 and 9/7/17 will be accepted and can be faxed to (631)329-4216. Otherwise, please call the school nurse to inform us of an appointment date you have scheduled for your child's physical.

-Thank you!
